FALL 2026

HUMANE SOCIETY OF NORTHWEST INDIANA

AS with so many of our Northwest Indiana neighbors our HSNI building sustained significant damage from the severe late summer storms, but as **The Beatles** so famously sang -- ***"(We) get by with a little help from our friends!"***

The horrific storms toppled many tall trees surrounding our property and, along with knocking out our power for over a week, caused significant damage to our medical room, our large dog runs, our storage shed, and our fencing. It resulted in us having a brief shortage of food and certain supplies needed for the animals in our care.

The photos included here show some of the damage to our property and some of the help and assistance we received from the many who immediately sprang into action to help us. This aid enabled us to quickly get back to our mission of rescuing and caring for the region's homeless animals. High fives all around to our staff and volunteers for how they all went above and beyond to keep the animals safe and cared for during the recovery efforts.

Team Rubicon in action clearing the HSNI grounds. Donations were collected and delivered by The First Presbyterian Youth Group, The Fraternal Order of Eagles, Tom Lounges Record Bin, and others.

Our first order of duty was to get food and supplies for our animals and we sent out an SOS for help to the community. It was answered immediately as many people, organizations and businesses responded within days and restocked our facility with many of the things we needed, while others donated financial support for additional needs. Among those were: **Bunyan & County Waste, Tom Lounges Record Bin, The First Presbyterian Youth Group of Valparaiso,** and **The Fraternal Order of Eagles Auxiliary #2498**

The second order of duty was getting the property cleaned up and removing all the downed trees, broken fencing, our crushed shed, and other debris. We would like to give a shout out to the **Paula Ivill Repka** and her **Team Rubicon** who came out to our property to help cut and clear the grounds. They volunteered their time to help and we are very grateful for their kindness. Thanks also to local animal lover **Harvey Robinson** who helped removed the bigger trees from our destroyed fence and also ground down the stumps. Once things were cleared, the **Ashbritt Inc.** quickly came to our aid and replaced the sections of fence that had been destroyed, so that our animals could once again safely be allowed outside to exercise and enjoy the warm days of the waning summer season.

Along with all the tremendous local support and aid given to our shelter, we received very generous financial donation from country music star **Miranda Lambert's MuttNation Foundation**. Our deep thanks to Ms. Lambert and the foundation's executive director **Nina Miller** for stepping up and helping us, along with the considerable aid they offer to many other animal rescues and shelters across the nation in times of need through their **MuttNation-Tractor Supply Relief For Rescues**.

HSNI Joined Effort To Keep Family Pets Fed →

A **BIG** thank you to **CHEWY** and **The Feline Community Network** for providing food to animals affected by the recent storms! CHEWY generously worked with Feline Community Network to help take off some of the burden of local NWI families by providing food for the animals.

Our shelter was part of that effort and helped over 100 families affected by handing out food donated to us by CHEWY specifically to help families keep their pets safe and fed. The families and their much loved pets appreciated the help.

SUPPLIES ARE ALWAYS NEEDED

We go through food like crazy, so we depend on food and other donations of items listed on our ***"Wish List."*** There are specific kinds of foods and brands that are best for our animals and our shelter.

When it comes to foods, we prefer -- ***Pedigree Puppy Food & Can Dog Food, Purina or Pedigree Dog Chow, Purina Cat & Kitten Chow, Small Bite Science Diet Puppy Food*** -- so that our animals have a consistent diet which is good for their tummies. Keeping an animal on a steady and consistent brand of food is important for good digestive health.

Our wish list is included below: **www.humanesocietynorthwestindiana.com.** Call us at **(219) 938-3339** for more about donating, volunteering at the shelter, or how to adopt one of our dogs or cats**.**

THE IMPORTANCE OF CHIPPING

In recent weeks, a gentleman came to our shelter with an older dog wearing an emotional support vest decorated with patches.

Because of the vest, we knew it was somebody's dog to help with PTSD. The dog -- **Paluco** -- had a rabies tag from 2024 but no chip or other tags.

The office manager was able to find the owner of the dog who lived in White Pigeon, MI. However, the owner died in 2025 and now we were at a dead end about how to reunite the new owner with this emotional support dog.

The office manager with the help of several volunteers, Lori, Kate, Julia, and Linda were able to reunite the dog with the right owner.

We were lucky because one of the volunteers looked up and saw he was posted on **Pawboost for Lost Dogs**! This dog happens to be 15 years old and was missing and an URGENT PLEA was posted for this dog.

The lesson here is **PLEASE MICROCHIP YOUR DOG** and please put tags with contact information on your dog. Thank you to all the people who helped reunite this senior pup with his new owner.

THANKS FOR YOUR HELP!

Winter is upon us, so in addition to the usual items on our ***Wish List***, our animals would appreciate your old comforters and blankets to keep them toasty warm on chilly winter nights. Towels are also something we never seem to have enough of here at the shelter. HSNI Shelter donations can also be dropped at either **Tom Lounges Record Bin** (*218 Main St.*) in downtown Hobart, and at **The Service Doctor** (*5150 E. Lincolnway*) in Merrillville.

A *"CAT-TASTIC"* SURPRISE!!!

Paul and **Kim Deaton** wanted to do something special for the cats and kittens at the shelter. They decided to buy some special cages so many cats and kittens can play together! Paul and Kim wanted the cats and kittens to run and engage with many things inside the huge playgrounds. Our cats and kittens have a blast inside of the playgrounds all day long! **THANK YOU PAUL AND KIM!** The cats and kittens love their new huge playground.

PAUL & KIM DEATON recently made our felines *"MEEE-OW"* by donating and assembling a huge playground for cats and kittens to hang out in and enjoy while awaiting adoption.

ONE MORE STOP AT ALBANESE CANDY FACTORY!!!!

We have just **ONE MORE** outdoor **Adopt-A-Thon** event planned for 2026. On **HALLOWEEN DAY** -- **Saturday, October 31st** -- please join us in the parking lot at **ALBANESE CANDY FACTORY** (*5441 E. Lincoln Hwy.*) in Merrillville, IN from 11am to 3p.m.

LET YOUR GOOD DEEDS LIVE ON...

We at the **Humane Society of Northwest Indiana** have been blessed through the thoughtfulness and pre-planning of a few incredible people who remembered our shelter and our animals, as they got their estate affairs in order, by including HSNI in their wills. Those sweet, forward-thinking souls took the time to plan ahead, so they could continue helping us in our mission after their death. Those gifts really kept our shelter going especially when COVID put a stop to our fundraising events.

Please consider leaving a legacy of love and giving to our animals by bequeathing your vehicles, property, collections or some other portion of your estate to help us carry on our work in your honor and your memory. **TO MAKE A ONE TIME DONATION: PLEASE FILLOUT AND CLIP THE FORM ABOVE AND SEND IT WITH YOUR DONATION.** Information and questions about how to include **Humane Society of Northwest Indiana** while doing your estate planning, can be directed to our Executive Director, **Freida White**, either by phone at **(219) 938-3339**, or email at: ***millercritters@yahoo.com.***

SENIOR DOG
Meet Freddie!

At our September **Albanese Candy Factory Adopt-a-Thon**, I met a special old boy who had only recently come to us in need to TLC.

His name is Freddie and like so many of the animals that come to Humane Society of Northwest Indiana, this sweet pup was let down by humans.

We take care of the animals that come to us and give them lots of love along with medical care and food, but we know that ultimately, they need to leave us and find a loving forever home to live out the rest of their lives.

One hot summer morning when HSNI staff came to work, Freddie was chained to the building and was looking pretty rough. He had a skin condition causing sores on this body, but we've since treated him and he has responded well.

(*RIGHT*): Freddie when we found him chained one hot morning outside our shelter door.

(*BELOW*): Freddie when he made his public debut at the September HSNI Albanese Adopt-A-Thon.

Like all senior dogs, Freddie suffers from some hearing loss, but he loves attention and loves walking on a leash. Freddie has shown no aggression issues whatsoever. He is neutered, vaccinated and heartworm negative.

Ol' Freddie is just looking for a cozy bed or better yet, a comfy couch to cuddle up with someone who will scratch his ears, rub his belly and shown him the type of kindness and love that has been lacking in his life up to this point.

Freddie would do great with a couple who wants a laid back, low energy dog who has lots of cuddles and love to give.

HAPPY TRAILS

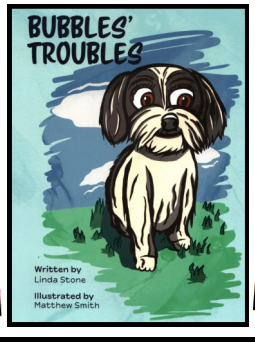

FOR THESE VERY, VERY...

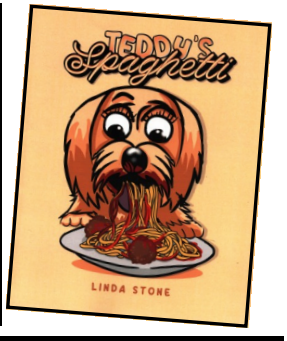

HAPPY TAILS!

Pictured here some homeless animals who have found forever homes through the **HUMANE SOCIETY OF NORTHWEST INDIANA** since we printed our last edition of our ***"PAWS & READ"*** quarterly newsletter. Congrats to these animals now starting new lives with new families. Thanks for giving these critters a second chance! We greatly appreciate those who opt to adopt.

Bubbles and Teddy were featured on the huge Megatron billboard in New York's Times Square during the last week of September. Also... Book #4 in the Linda Stone series ***"BUBBLES AND TEDDY: FUN ON THE RUN"*** is now available for purchase. Author-signed copies should be available at the Humane Society by late October for gift-giving.

PET ROCK ★2027★

It is still a ways off, but we want to remind you to **SAVE THE DATE** so you won't miss our next ***"PET ROCK"*** event! The date you need to save is **SATURDAY, MARCH 27th!!** That's when we will be back at the beautiful **St. Sava Banquet Hall** for our annual fundraiser.

The ***"Pet Rock"*** event is one of the highlights most important and successful fundraisers we do to benefit **Humane Society of Northwest Indiana.**

Saint Sava is located at 9191 Mississippi Street in Merrillville and back to rock our stage by popular demand will be our good friends **MR. FUNNYMAN**. Over the years, we have enjoyed a variety of live bands, but this group is the one people keep requesting we have for this special evening.

Not only is Mr. Funnyman one of the most popular and heavily booked party bands in Chicagoland, but the members are also dedicated animal lovers and long time supporters of our shelter. Doors will open at 5p.m. with music running from 6p.m. to 10p.m.

The event always features live entertainment, dancing, silent and live auctions, a full cash bar, affordable food options, 50/50 raffles, basket raffles, grab bags, and more.

Watch for full details in our next newsletter and also watch our social media pages for details and ticket information to be announced soon.

Come *"GNOME"* for the Holidays!

"Gnome For The Holidays" is our unique holiday-themed fundraising event that helps us raise funds for **Humane Society of Northwest Indiana**. It takes place **WEDNESDAY, DECEMBER 2nd** from 5pm to 7:30pm at the **Hobart Chamber of Commerce** building located at **1001 Lillian Street** in Hobart. Ages 8 and up are welcome to join in the fun.

"Painting old records is a fun and creative way to repurpose vinyl albums that would otherwise wind up in landfills," said **Alice Lounges**, the co-owner of **Tom Lounges Record Bin**, which donates all necessary art supplies, records and provides professional art instructor **Bridget Nadolski** to help attendees create their own magical holiday keepsakes. **Nadolski** is a retired art teach from Portage.

"Gnome For The Holidays" finds folks painting holiday gnomes or other holiday-themed art images onto old vinyl albums while enjoying light snacks, holiday music and quality time with family and friends.

We work with acrylic paint, so it is recommended to bring a cover shirt or apron to keep clothing clean. $30 for adults/ $15 for kids 8-14.

Seating is limited so register EARLY! Registration begins on October 25th by calling the Chamber office at **(219) 942-5774**.
